## **GUIDE TO HIGH SCHOOL SUMMER PROGRAMS 2018**

### *Mission Statement*

*The Virginia Beach City Public Schools, in partnership with the entire community, will empower every student to become a life-long learner who is a responsible, productive, and engaged citizen within the global community.*

### **GENERAL INFORMATION**

This guide provides students and families with specific information about the programs that are available in summer school. Students and families should review this publication and consult with school counselors and/or teachers to determine which programs may be appropriate. When selecting a program, it is important to remember that all courses offered in the Virginia Beach City Public Schools are available on a non-discriminatory basis.

Students and families should note that all programs are dependent on sufficient enrollment and the availability of qualified and appropriately endorsed instructional staff. Also, enrollment in some courses may be limited due to that availability of equipment and space at a particular school. **If a course is cancelled due to insufficient enrollment, students may be allowed to enroll in the course at another site.** Transportation outside the cluster will not be provided.

**Note: Unless otherwise noted, all courses are restricted to students in grades 9-12 only. Rising 9<sup>th</sup> grade students may also attend high school summer programs.**

### **ATTENDANCE AND CONDUCT**

Attendance during summer school will be monitored in accordance with School Board Policy 5-17. Teachers will maintain an accurate record of attendance/absences by class session.

Students are expected to be in attendance at each class session each day. A student will not be granted credit or considered for promotion to the next grade level if absences are excessive. Because summer courses are condensed, excessive absences are defined as missing more than four (4) class sessions within a given session. Each day in summer school consists of two (2) class sessions.

A parent/guardian may request a waiver of the summer school attendance policy by submitting the standard waiver request form to the summer school principal **at the end of each summer school session**. Appeals should be forwarded to the Office of Student Leadership.

*The Code of Student Conduct* will remain in effect during Summer School 2018. *The Code of Student Conduct* outlines the expectations for student behavior. Students will be subject to suspension or dismissal from classes by the summer school principal if they violate policies with regard to student conduct or if their behavior is disruptive and/or interferes with classroom instruction. If a student is dismissed due to behavior, he or she is not eligible for a refund of summer school tuition.

## **REGISTRATION**

**\* Virginia Beach City Public Schools offers summer school courses in two formats: face-to-face and online. You may register to take classes in one or both formats. Registrations are done electronically.**

### **Face-to-Face Course Electronic Registration**

Information in regard to onsite face-to-face course electronic registration will be available on the VBCPS website. Electronic registration and payment online begins on Tuesday, May 29, 2018, at 12:00 noon for face-to-face courses at <http://www.vbschools.com/summerschool/index.asp>; registration closes on June 26, 2018 at 8:00 a.m. Only students whose parents/guardians are residents of Virginia Beach are eligible to attend summer school classes. Students must provide their student identification number at the time of registration.

Registration and payment of fees for summer school courses are to be completed online. Both registration and payment must be completed before leaving the registration website. If not, the student is not enrolled. **Students are not officially registered until payment has been received.**

### **Face-to-Face Course In-Person Registration**

In addition, onsite registration for Face-to-Face summer school course registration will be held in person at hosting summer school sites for parents paying with cash, check or money order ONLY on the following dates: **Tuesday, June 19, 2018, from 5:30 p.m. to 8:30 p.m., and Wednesday, June 20, 2018, from 8:00 a.m. to 12:00 p.m.** Registration will be held at the host site of the students current home school (see chart below). Only students whose parents/guardians are residents of Virginia Beach are eligible to attend summer school classes. Students must provide their student identification number at the time of registration. Students should bring schedules or report cards (from the third grading period) that show the preprinted student ID number. Students enrolling in repeat courses must provide documentation of course failure from their school counselors at registration. **Please refer to the program description for details.**

\*Students who have been removed from their home or enrolled school as a result of disciplinary infractions are not allowed to attend summer school at that site. However, these students are allowed to attend summer school at another site. **Transportation will not be provided.**

**Students enrolled in Tidewater Regional Alternative Educator Program (TRAEP) will be required to provide a letter from the principal at TRAEP, recommending summer school attendance. These students will not be permitted enrollment without the written recommendation of the TRAEP principal.**

### **ESY and ESL Registration**

Registration for English as a Second Language (ESL) and Extended School Year (ESY) programs will be handled separately. Information regarding these programs will be sent to schools.

## **ONLINE COURSES**

Information about the online program will be available through the Virginia Beach Digital Campus website (<http://www.vbschools.com/distance/index.asp>) on April 2, 2018. Only students whose parents/guardians are residents of Virginia Beach are eligible to enroll in Virginia Beach Digital Campus summer school classes. On May 1, 2018 at 12:00 noon, students may begin to register and pay online for online summer school courses using the link provided on the website. Students enrolled in online versions of courses that require an End-of-Course SOL test are expected to take that test in person at the Renaissance Academy on the scheduled testing date.

Registration and payment of fees for online summer school courses are to be completed online. Both registration and payment must be completed before leaving the registration website. If not, the student is not enrolled. Most families choose to pay the tuition for online classes using a credit card at the online registration and payment site. Those unable to pay by credit card may make a payment with cash, check, or money order at the Instructional Resource Center at Plaza Annex (641 Carriage Hill Road, Virginia Beach, VA 23452, Room 28) during regular business hours (Monday – Thursday, 8:00 a.m. – 3:30 p.m.) after May 1, 2018. **Students are not officially registered until payment has been received.** Eligible non-VBCPS enrollees must bring documentation of residency.

### **Non-VBCPS Students with Virginia Beach Residency**

Non-VBCPS students must complete summer school registration at Plaza Annex, 641 Carriage Hill Road, Virginia Beach, VA, 23452.

Only students whose parents/guardians are residents of Virginia Beach are eligible to attend VBCPS summer school classes. It is the responsibility of the student to obtain written permission from the administration of the student's current school to attend summer classes and to have credits earned transferred.

### **Eligible non-VBCPS enrollees must present documentation of residency.**

Before an out-of-district student may begin a summer school class, they will need to provide the following types of documentation:

- Certified birth certificate for any student being admitted for the first time to any public school;
- Two proofs of address (signed lease/mortgage statement and current gas, electric or water bills);
- Proof of legal custody of student if living only on temporarily in the household
- Current immunization record

Please bring these documents to the Office of Student Support Services at Plaza Annex, 641 Carriage Hill Rd., Virginia Beach, VA. 23452, between 9:00 a.m. – 3:30 p.m., Monday through Thursday. Questions regarding the registration process should be directed to the summer school office at 757-263-6856.

***Note: No course registrations or payments for online courses will be accepted at any summer school site before or during regular summer school registration.***

## **TRANSFER OF CREDIT**

Summer school courses not taken in the Virginia Beach City Public Schools must meet the requirements of courses taken in Virginia Beach City Public Schools. It is the responsibility of the student to obtain **prior** written permission from the principal of the student's current school to determine credits earned in summer school outside the Virginia Beach City Public Schools.

## TUITION

Tuition must be paid at the time of registration and includes the use of textbooks. All checks and money orders should be made payable to the **Virginia Beach City Public Schools**. Cash, check, credit card (VISA and/or MasterCard), and money order may be used to pay tuition. Please check the program descriptions in this guide to determine whether fees are charged for particular programs. Outstanding non-sufficient fund checks for summer school tuition must be paid before the student may attend classes. **The English as a Second Language Program (ESL), Extended School Year (ESY) services, SOL Fast Track Tutoring, and the Algebra Readiness Academy Program are provided at no cost.**

### REDUCED TUITION FOR ELIGIBLE STUDENTS

Students who have a completed free/reduced meal form on file and have been determined eligible for reduced price or free meals during the regular school year are eligible to receive reduced summer school tuition in all high school summer programs **except enrichment programs**. Parents or guardians who would like the school to determine their child's eligibility for free and reduced tuition **must sign the release section of the summer school registration form**. This will permit school officials to access the necessary information to award the tuition benefit. If a student qualifies for the benefit, the chart below lists the tuition rates.

**NOTE: Free/reduced meal applications must be filed at the student's home school by June 15, 2018.**

Tuition Level	Session-long course	Year-long course
Level I (full cost meal)	\$200	\$300
Level II (reduced cost meal)	\$100	\$150
Level III (free meal)	\$40	\$75

### REFUNDS

Requests for refunds must be made using the Summer School Tuition Refund Request Form and submitted to the Summer School Site Principal before the first day of class. Teachers are hired for summer school based on student enrollment. **No refunds** will be honored after the first day of class.

# HIGH SCHOOL SUMMER SCHOOL 2018 SITES/TRANSPORTATION CLUSTERS

## TRANSPORTATION

Schools have been grouped together to form transportation clusters. Bus transportation will be available for many programs from neighborhood pickup points within the cluster to designated summer school sites. If transportation is provided for a particular program, it will be listed with the information in this guide describing the program. Summer school bus routes will be available on the *Bus Schedule* page on **vbschools.com** by June 11, 2018. If you would like to be notified when the bus schedule is posted on [www.vbschools.com/transportation/index.asp](http://www.vbschools.com/transportation/index.asp), please subscribe to *vbschools x-tra* at <http://www.vbschools.com/xtra/index.asp>. The summer school principals establish procedures for students interested in driving private cars to summer school sites. Limited parking passes are available for students who drive to school for a fee of \$10. **Transportation is provided only within the transportation clusters.**

**Students must attend classes at the summer school site located within their transportation cluster.** Students who have been removed from their home or enrolled school as a result of disciplinary infractions are not allowed to attend summer school at that site. However, these students are allowed to attend summer school at another site. Parents/guardians/students are responsible for providing transportation to alternate sites. The first school listed in each line (in bold print) is the summer school site. Students will attend Monday through Thursday. Renaissance Academy will serve as the support site for all online classes. Students enrolled in online SOL courses are expected to take the associated SOL test in person at the Renaissance Academy on the scheduled testing date.

***TRAEP students will be required to provide a letter from the principal at TRAEP, recommending summer school attendance. Registration location administrators may also contact the Office of Student Leadership to request verification. These students will not be permitted enrollment without the written recommendation of the principal at TRAEP and/or the verification from the Office of Student Leadership.***

Transportation will **not** be provided to other sites when a course is cancelled due to insufficient enrollment or when a student is required to attend a different site due to a disciplinary alternative placement. Parents/guardians/students are responsible for providing transportation to alternate sites

High school ESL students will be attending the summer school program at the appropriate middle school site (Kempsville Middle School or Virginia Beach Middle School).

## HIGH SCHOOL SUMMER PROGRAM DESCRIPTIONS

The high school summer program provides credit courses for high school students to accelerate their program of study or to repeat courses not successfully completed during the regular school year. Students enrolling in a credit bearing course for the first time must complete a two-session summer program equal to one year of instruction in the regular school term to receive full credit. Students repeating a course they have previously failed may earn credit by completing a one-session summer course. If a repeat course needed is not offered in a one-session format, students may elect to take a two-session course offering; taking a two-session course as a repeat will cost the same price as a yearlong course.

All Virginia Beach Digital Campus online courses are taught in the two-session summer format. Students choosing to repeat a previously failed course online will complete the full two-session summer program. All course offerings are dependent upon sufficient enrollment and the availability of suitably certified and endorsed instructors.

All VBCPS students who are taking a summer school course which requires an end-of-course (EOC) SOL test must take the SOL test scheduled during summer school, unless the student has already passed the test. **Students must be enrolled in VBCPS school for the 2018-2019 school year before testing begins.** All SOL tests except writing require one day of testing. Students who are scheduled to graduate by August 31, 2018 and are taking the SOL EOC writing test require four days of testing. Students scheduled to graduate after August 31, 2018 and are taking the SOL EOC Writing test require two days of testing.

**Note:** Seniors who need two credits to be eligible to graduate in August 2018 must attend the afternoon session from 1:00 p.m. to 6:30 p.m. **Transportation will not be provided for students attending the afternoon session.**

**Registration:** Tuesday, June 19, 2018, 5:30 p.m. – 8:30 p.m. and June 20, 2018, 8:00 a.m. – 12:00 noon

**Dates:** Tuesday, June 26, 2018 – August 13, 2018 (Monday – Thursday)

**Session 1:** Tuesday, June 26, 2018 – July 18, 2018 (Monday – Thursday)

**Session 2:** Monday, July 23, 2018 – August 13, 2018 (Monday – Thursday)

**Times:** 7:15 a.m. – 12:45 p.m. – morning classes  
1:00 p.m. – 6:30 p.m. – afternoon classes at both sites

**Locations:** **Bayside High School and Green Run High School**

**Transportation:** Bus transportation will be provided to designated summer school sites from neighborhood pickup points within the cluster

**Exams:** Thursday, July 19, 2018 – Final exam (Session 1 courses)  
Tuesday, August 14, 2018 – Final exam (Session 2 and year-long courses) Exam day hours are 7:15 a.m. – 10:15 a.m. (early dismissal)

## REMEDIAL PROGRAMS

### SOL FAST TRACK TUTORING

An optional summer tutoring program entitled SOL Fast Track Tutoring 2018 is provided to support students who must meet the Standards of Learning (SOL) verified credit diploma criteria to meet the graduation requirements. **This voluntary program is available to students who have passed their classroom instruction and received Carnegie credit but have not earned verified credit due to failing the corresponding End-of Course SOL test.** High school students will be given first preference for enrollment. A waitlist will be established for middle school student enrollment. Fast Track tutoring consists of 25 hours of small group instruction culminating in the retake of the applicable SOL test.

This year, students interested in Algebra I, Algebra II, or Geometry SOL Fast Track Tutoring will have access to APEX, a personalized online learning tool designed to enhance and extend their learning opportunities. Students enrolled in a math SOL Fast Track program will receive APEX logon information to begin using the online program prior to the start of their face-to-face course, during their course, and, if needed, extend the learning and support beyond the course. Questions concerning this program should be directed to the Summer School Office, at 757-263-6856. Questions regarding the APEX online portion of the program should be directed to Bruce Harrison, Distance Learning Coordinator, at 757-263-1077 or [bruce.harrison@vbschools.com](mailto:bruce.harrison@vbschools.com).

<b>Testing:</b>	Thursday, August 2 (No school on Fridays)	7:15 a.m. – 9:45 a.m.

### World Geography (FTSO10), World History I (FTSO33), World History II (FTSO40), Virginia and U.S. History (FTSO60)

<b>Tutoring:</b>	Tuesday, July 24 – Tuesday, July 31	7:15 a.m. – 12:45 p.m.
<b>Testing:</b>	Wednesday, August 1 (No school on Fridays)	7:15 a.m. – 9:45 a.m.

<b>Locations:</b>	<b>Bayside High School and Green Run High School</b>
<b>Tuition:</b>	<b>No charge</b>
<b>Transportation:</b>	Bus transportation will be provided to designated high school summer school sites from neighborhood pickup points within the cluster.

*SOL Fast Track Tutoring Classes may be adjusted based on enrollment.*

### **FAST TRACK W!SE FINANCIAL LITERACY TEST (FTBE12)**

<b>Tutoring:</b>	Tuesday, June 26 – Tuesday, July 3	7:15 a.m. – 12:45 p.m.
<b>Testing:</b>	Thursday, July 5 (No school on Fridays)	7:15 a.m. – 9:45 a.m.

An optional summer tutoring program entitled Fast Track W!SE Financial Literacy Test is provided to support students who must meet the required TCE industry certification criteria to meet their graduation requirements. **This voluntary program is available to students who have passed their classroom instruction and received credit but have not satisfied the TCE certification component due to failing the corresponding W!SE certification exam.** Fast Track tutoring consists of 15 hours of small group instruction culminating in the retake of the W!SE Financial Literacy certification. Questions concerning this program should be directed to Theresa Dougherty, Coordinator of Business and Technology, by phone at 757-648-6180 or by email at [Theresa.Dougherty@vbschools.com](mailto:Theresa.Dougherty@vbschools.com).

## PROGRAMS FOR RISING GRADE 9 STUDENTS

### ALGEBRA READINESS ACADEMY (MA3101)

<b>Registration:</b>	June 19, 2018, 5:30 p.m. – 8:30 p.m. and June 20, 2018, 8:00 a.m. – 12:00 noon

<b>Transportation:</b>	Bus transportation will be provided to designated summer school sites from neighborhood pickup points within the cluster.

This class is for rising 9<sup>th</sup> grade students who will be taking Algebra I Part I and need to strengthen their pre-algebra skills. This bridge program is designed to help students become confident in their ability to do mathematics, learn the value of mathematics, become problem solvers, communicate mathematically, and learn to reason using mathematics. It is recommended that any student who earned a grade of *C* or *D* as their final average for grade 8 math participate in the program. Students earn a grade of pass or fail for this course. Questions regarding this program should be directed to G.
