GUIDE TO HIGH SCHOOL
SUMMER PROGRAMS 2017

Mission Statement

*The Virginia Beach City Public Schools, in partnership with the entire community,
will empower every student to become a life–long learner who is a responsible,
productive, and engaged citizen within the global community.*

GENERAL INFORMATION

This guide provides students and families with specific information about the programs that are available in summer school. Students and families should review this publication and consult with school counselors and/or teachers to determine which programs may be appropriate. When selecting a program, it is important to remember that all courses offered in the Virginia Beach City Public Schools are available on a non-discriminatory basis.

Families should note that all programs are dependent on sufficient enrollment and the availability of qualified and appropriately endorsed instructional staff. Also, enrollment in some courses may be limited due to that availability of equipment and space at a particular school. **If a course is cancelled due to insufficient enrollment, students may be allowed to enroll in the course at another site.** Transportation outside the cluster will **not** be provided.
Note: Unless otherwise noted, all courses are restricted to students in grades 9-12 only. Rising 9th grade students may also attend high school summer programs.

ATTENDANCE AND CONDUCT

Attendance during summer school will be monitored in accordance with School Board Policy 5–17. Teachers will maintain an accurate record of attendance/absences by class session.

Students are expected to be in attendance at each class session each day. A student will not be granted credit or considered for promotion to the next grade level if absences are excessive. Because summer courses are condensed, excessive absences are defined as missing more than four (4) class sessions within a given session. Each day in summer school consists of two (2) class sessions.

A parent/guardian may request a waiver of the summer school attendance policy by submitting the standard waiver request form to the summer school principal **at the end of each summer school session**. Appeals should be forwarded to the Office of Student Leadership.

The Code of Student Conduct outlines the expectations for student behavior. Students will be subject to suspension or dismissal from classes by the summer school principal if they violate policies with regard to student conduct or if their behavior is disruptive and/or interferes with classroom instruction. If a student is dismissed due to behavior, he or she is not eligible for a refund of summer school tuition. Adherence to the School Board code of dress shall be maintained: "All students are expected to wear dress appropriate to the occasion; extreme or ostentatious apparel or appearance is to be avoided. Any article of clothing or accessory which advertises alcohol or an illegal substance, depicts lewd graphics, displays offensive or obscene language, or is gang related is forbidden" (SB Regulation 5–41.A).

Adherence to the School Board code regarding possession/use of portable communications devices should be maintained: The use of portable communications devices, such as cellular telephones, or other hand-held computing devices (when such device is being used as a communications device), by any person on property (including vehicles) controlled by the School Board to engage in unlawful or unauthorized activity is prohibited. All possession or use of portable communications devices such as cellular telephones, or other hand-held computing devices (when such device is being used as a communication device) shall be regulated and/or prohibited at each school or school event as deemed necessary to prevent disruption of the educational environment and to maintain order on school property and at school activities. Elementary, middle and high school students may use portable communication devices before or after the instructional day as long as such communication devices are not activated or used inside School Board buildings unless use inside School Board buildings is specifically permitted by school administration. *For additional information see Bring Your Own Device (BYOD), Student/Parent Guidelines for use of a privately Owned Electronic Device (SB Policy 3-65).*

REGISTRATION

Face-to-Face Course Electronic Registration
Information in regard to onsite face-to-face course electronic registration will be available on the VBCPS website. Electronic registration and payment online begins on Monday, May 22, 2017, at 12:00 noon for face-to-face courses at http://www.vbschools.com/summerschool/index.asp, and closes on June 21, 2017 at noon. Only students whose parents/guardians are residents of Virginia Beach are eligible to attend summer school classes. Students must provide their student identification number at the time of registration. Students should bring schedules or report cards (from the third grading period) that show the preprinted student ID number. Students enrolling in repeat courses must provide documentation of course failure from their school counselors at registration.

Registration and payment of fees for summer school courses are to be completed online. Both registration and payment must be completed before leaving the registration website. If not, the student is not enrolled. **Students are not officially registered until payment has been received.** Eligible non–VBCPS enrollees must bring documentation of residency.

Face-to-Face Course-In-Person Registration

In addition, onsite registration for Face-to-Face summer school courses registration will be held in person at hosting summer school sites on the following dates: **Tuesday, June 20, 2017, from 5:30 p.m. to 8:30 p.m., and Wednesday, June 21, 2017, from 8:00 a.m. to 12:00 p.m.** Registration will be held at the host site of the students current home school (see chart on page 6). Only students whose parents/guardians are residents of Virginia Beach are eligible to attend summer school classes. Students must provide their student identification number at the time of registration. Student should bring schedules or report cards (from the third grading period) that show the preprinted student ID number. Students enrolling in repeat courses must provide documentation of course failure from their school counselors at registration. **Please refer to the program description for details.**

Registration for English as a Second Language (ESL) and Extended School Year (ESY) programs will be handled separately. Information regarding these programs will be sent to schools.

Students who have been removed from their home or enrolled schools as a result of disciplinary infractions are not allowed to attend summer school at that site. However, these students are allowed to attend summer school at another site. **Transportation will not be provided.**

Students enrolled in Tidewater Regional Alternative Educator Program (TRAEP) will be required to provide a letter from the principal at TRAEP, recommending summer school attendance. These students will not be permitted enrollment without the written recommendation of the TRAEP principal.

ONLINE COURSES

Information about the online program will be available through the Virginia Beach Digital Campus website (http://www.vbschools.com/distance/index.asp) on April 3, 2017. Only students whose parents/guardians are residents of Virginia Beach are eligible to enroll in Virginia Beach Digital Campus summer school classes. On May 2, 2017 at 12:00 noon, students may begin to register and pay online for online summer school courses using the link provided on the website. Students enrolled in online versions of courses that require an End–of–Course SOL test are expected to take that test in person at the Renaissance Academy on the scheduled testing date.

Registration and payment of fees for online summer school courses are to be completed online. Both registration and payment must be completed before leaving the registration website. If not, the student is not enrolled. Most families choose to pay the tuition for online classes using a credit card at the online registration and payment site. Those unable to pay by credit card may make a payment with cash, check, or money order at the Instructional Resource Center at Plaza Annex (641 Carriage Hill Road, Virginia Beach, A 23452, Room 28) during regular business hours (Monday – Thursday 8:00 a.m. – 3:30 p.m.) after May 2, 2017. **Students are not officially registered until payment has been received.** Eligible non–VBCPS enrollees must bring documentation of residency.

Note: No course registrations or payments for online courses will be accepted at any summer school site before or during regular summer school registration.

Non-VBCPS Students with Virginia Beach Residency
Only students whose parents/guardians are residents of Virginia Beach are eligible to attend VBCPS summer school classes. It is the responsibility of the student to obtain written permission from the administration of the student's homeschool to attend summer classes and to have credits earned transferred.
Eligible non–VBCPS enrollees must present documentation of residency.
Before an out-of-district student may begin a summer school class, they will need to provide the following types of documentation:

- Certified birth certificate for any student being admitted for the first time to any public school;
- Two proofs of address (signed lease/mortgage statement and current gas, electric or water bills);
- Proof of legal custody of student if living only on temporarily in the household

Present these documents within four days to facilitate the registration process. Should your residency status not be established within four business days of registration your student will not be able to participate in a summer school course.

Please present these documents to the Summer School Office. You may scan/send copies of the documentation as email attachments, fax copies to (757) 493-5437 or bring originals to Plaza Annex, 641 Carriage Hill Rd., Virginia Beach, VA. 23452 between 9:00 a.m.-3:30 p.m. Monday through Thursday.

TRANSFER OF CREDIT

Summer school courses not taken in the Virginia Beach City Public Schools must meet the requirements of courses taken in Virginia Beach City Public Schools. It is the responsibility of the student to obtain **prior** written permission from the principal of the student's home school to determine credits earned in summer school outside the Virginia Beach City Public Schools.

TUITION

Tuition must be paid at the time of registration and includes the use of textbooks. All checks and money orders should be made payable to the **Virginia Beach City Public Schools**. Cash, check, credit card (VISA and/or MasterCard), and money order may be used to pay tuition. Please check the program descriptions in this guide to determine whether fees are charged for particular programs. Outstanding non–sufficient fund checks for summer school tuition must be paid before the student may attend classes. The English as a Second Language Program (ESL), Extended School Year (ESY) services, SOL Fast Track Tutoring, and the Algebra Readiness Academy Program are provided at no cost.

REDUCED TUITION FOR ELIGIBLE STUDENTS

Students who have a completed free/reduced meal form on file and have been determined eligible for reduced price of free meals during the regular school year are eligible to receive reduced summer school tuition in all high school summer programs **except enrichment programs**. Parents or guardians who would like the school to determine their child's eligibility for free and reduced tuition **must sign the release section of the summer school registration form**. This will permit school officials to access the necessary information to award the tuition benefit. If a student qualifies for the benefit, the chart below lists the tuition rates.

NOTE: Free/reduced meal applications must be filed at the student's home school by June 16, 2017.

Tuition Level	Session–long course	Year–long course
Level I (full cost meal)	$200	$300
Level II (reduced cost meal)	$100	$150
Level III (free meal)	$40	$75

REFUNDS
Requests for refunds must be made using the Summer School Tuition Refund Request Form
and submitted to the Summer School Site Principal <u>before</u> the first day of class.
Teachers are hired for summer school based on student enrollment.
<u>No refunds</u> will be honored after the first day of class.

HIGH SCHOOL SUMMER SCHOOL 2017
SITES/TRANSPORTATION CLUSTERS

TRANSPORTATION

Schools have been grouped together to form transportation clusters. Bus transportation will be available for many programs from neighborhood pickup points within the cluster to designated summer school sites. If transportation is provided for a particular program, it will be listed with the information in this guide describing the program. Summer school bus routes will be available on the *Bus Schedule* page on **vbschools.com** by June 12, 2017. If you would like to be notified when the bus schedule is posted on www.vbschools.com/transportation/index.asp, please subscribe to *vbschools x–tra* at http://www.vbschools.com/xtra/index.asp. The summer school principals establish procedures for students interested in driving private cars to summer school sites. Limited parking passes are available for students who drive to school for a fee of $10. **Transportation is provided only within the transportation clusters.**

Students must attend classes at the summer school site located within their transportation cluster. Students who have been removed from their home or enrolled school as a result of disciplinary infractions are not allowed to attend summer school at that site. However, these students are allowed to attend summer school at another site. Parents/guardians/students are responsible for providing transportation to alternate sites. The first school listed in each line (in bold print) is the summer school site. Students will attend Monday through Thursday. Renaissance Academy will serve as the support site for all online classes. Students enrolled in online SOL courses are expected to take the associated SOL test in person at the Renaissance Academy on the scheduled testing date.

TRAEP students will be required to provide a letter from the principal at TRAEP, recommending summer school attendance. Registration location administrators may also contact the Office of Student Leadership to request verification. These students will not be permitted enrollment without the written recommendation of the principal at TRAEP and/or the verification from the Office of Student Leadership.

Transportation will **not** be provided to other sites when a course is cancelled due to insufficient enrollment or when a student is required to attend a different site due to a disciplinary alternative placement. Parents/guardians/students are responsible for providing transportation to alternate sites

High school ESL students will be attending the summer school program at the appropriate middle school site (Landstown Middle School or Lynnhaven Middle School).

HIGH SCHOOL SUMMER PROGRAM DESCRIPTIONS

The high school summer program provides credit courses for high school students to accelerate their program of study or to repeat courses not successfully completed during the regular school year. Students enrolling in a credit bearing course for the first time must complete a two-session summer program equal to one year of instruction in the regular school term to receive full credit. Students repeating a course they have previously failed may earn credit by completing a one-session summer course. If a repeat course needed is not offered in a one-session format, students may elect to take a two-session course offering.

All Virginia Beach Digital Campus online courses are taught in the two–session summer format. Students choosing to repeat a previously failed course online will complete the full two–session summer program. All course offerings are dependent upon sufficient enrollment and the availability of suitably certified and endorsed instructors.

All students currently attending Virginia Beach City Public Schools who are taking a summer school course which requires an end–of–course (EOC) SOL test must take the SOL test scheduled during summer school, unless the student has already passed the test. **Students must be enrolled for the 2017–2018 school year before testing begins.** All SOL tests except writing require one day of testing. Students who will graduate after August 2017 or earlier and are taking the SOL EOC writing test require four days of testing. Students who will graduate by August 2017 or earlier and are taking the SOL EOC Writing test require two days of testing.

Note: Seniors who need two credits to be eligible to graduate in August 2017 must attend the afternoon session from 1:00 p.m. to 6:30 p.m. **Transportation will not be provided for students attending the afternoon session.**

Registration: Tuesday, June 20, 2017, 5:30 p.m. – 8:30 p.m. and June 21, 2017, 8:00 a.m. – 12:00 noon

Dates: Tuesday, June 27, 2017 – August 14, 2017 (Monday – Thursday)

Session 1: Tuesday, June 27, 2017 – July 19, 2017 (Monday – Thursday)
Session 2: Monday, July 24, 2017 – August 14, 2017, (Monday – Thursday)

Times: 7:15 a.m. – 12:45 p.m. – morning classes
              1:00 p.m. –   6:30 p.m. – afternoon classes at both sites

Locations: **Bayside High School and Green Run High School**

Transportation: Bus transportation will be provided to designated summer school sites from neighborhood pickup points within the cluster

Exams: Thursday, July 20, 2017 – Final exam (Session 1 courses)
              Tuesday, August 15, 2017 – Final exam (Session 2 and year-long courses)
              Exam day hours are 7:15 a.m. – 10:15 a.m. (early dismissal)

REMEDIAL PROGRAMS

SOL FAST TRACK TUTORING

An optional summer tutoring program entitled SOL Fast Track Tutoring 2017 is provided to support students who must meet the Standards of Learning (SOL) verified credit diploma criteria to meet the graduation requirements. **This _voluntary_ program is available to students who have passed their classroom instruction and received Carnegie credit but have not earned verified credit due to failing the corresponding End-of Course SOL test.** High school students will be given first preference for enrollment. A waitlist will be established for middle school student enrollment. Fast Track tutoring consists of 25 hours of small group instruction culminating in the retake of the applicable SOL test.

This year, students interested in Algebra I, Algebra II, or Geometry SOL Fast Track Tutoring will have access to APEX, a personalized online learning tool designed to enhance and extend their learning opportunities. Students enrolled in a math SOL Fast Track program will receive APEX logon information to begin using the online program prior to the start of their face-to-face course, during their course, and, if needed, extend the learning and support beyond the course. Questions concerning this program should be directed to the Summer School Office, at 757-263-6856. Questions regarding the APEX online portion of the program should be directed to Bruce Harrison, Distance Learning Coordinator, at 757-263-2070 or bruce.harrison@VBSchools.com.
