## **GUIDE TO MIDDLE SCHOOL SUMMER PROGRAMS 2017**

### *Mission Statement*

*The Virginia Beach City Public Schools, in partnership with the entire community, will empower every student to become a life-long learner who is a responsible, productive, and engaged citizen within the global community.*

### **GENERAL INFORMATION**

This guide provides students and families with specific information about the programs that are available in summer school. Students and families should review this publication and consult with school counselors and/or teachers to determine which programs may be appropriate. When selecting a program, it is important to remember that all courses offered in the Virginia Beach City Public Schools are available on a non-discriminatory basis.

Students and families should note that all programs are dependent on sufficient enrollment and the availability of qualified and appropriately endorsed instructional staff. Also, enrollment in some courses may be limited due to the availability of equipment and space at a particular school.

***Note: If a course is cancelled due to insufficient enrollment, students may be allowed to enroll in the course at another site; however, transportation to the other site will not be provided.***

### **ATTENDANCE AND CONDUCT**

Attendance during summer school will be monitored in accordance with School Board Policy 5-17. Teachers will maintain an accurate record of attendance/absences by class session.

Students are expected to be in attendance at each class session each day. A student will not be granted credit or considered for promotion to the next grade level if absences are excessive. Because summer courses are condensed, excessive absences are defined as missing more than one (1) class session.

A parent/guardian may request a waiver of the summer school attendance policy by submitting the standard waiver request form to the summer school principal **at the end of each summer school session**. Appeals should be forwarded to the Office of Student Leadership.

*The Code of Student Conduct* outlines the expectations for student behavior. Students will be subject to suspension or dismissal from classes by the summer school principal if they violate policies with regard to student conduct or if their behavior is disruptive and/or interferes with classroom instruction. If a student is dismissed due to behavior, he or she is not eligible for a refund of summer school tuition. Adherence to the School Board code of dress shall be maintained: "All students are expected to wear dress appropriate to the occasion; extreme or ostentatious apparel or appearance is to be avoided. Any article of clothing or accessory which advertises alcohol or an illegal substance, depicts lewd graphics, displays offensive or obscene language, or is gang related is forbidden" (SB Regulation 5-41.A).

Adherence to School Board code regarding possession/use of portable communications devices should be maintained. The use of portable communications devices, such as cellular telephones, or other hand-held computing devices (when such device is being used as a communications device), by any person on property (including vehicles) controlled by the School Board to engage in unlawful or unauthorized activity is prohibited. Elementary, middle and high school students may use portable communication devices before or after the instructional day as long as such communication devices are not activated or used inside School Board buildings unless use is specifically permitted by school administration. *For additional information see Bring Your Own Device (BYOD), Student/Parent Guidelines for use of a privately Owned Electronic Device (SB Policy 3-65).*

Students should bring schedules or report cards (from the third grading period) that show the preprinted student ID number. **Tuition must be paid in full at the time of registration.**

Registration for Extended School Year (ESY) services and English as a Second Language (ESL) Programs will be handled separately. Information regarding these programs and the registration procedures will be sent to each school.

Students who have been removed from their home or enrolled schools as a result of disciplinary infractions are not allowed to attend summer school at that site. However, these students are allowed to attend summer school at another site. **Transportation will not be provided.**

Students enrolled in Tidewater Regional Alternative Educator Program (TRAEP) will be required to provide a letter from the principal at TRAEP, recommending summer school attendance. These students will not be permitted enrollment without the written recommendation of the TRAEP principal.

## **OUT OF DISTRICT**

Only students whose parents/guardians are residents of Virginia Beach are eligible to attend summer school classes. It is the responsibility of the student to obtain written permission from the administration of the student's homeschool to attend summer classes. Out-of-district students must present an updated shot record to enroll in the summer classes. Parents or guardians must review and sign the acknowledgement of the VBCPS Code of Conduct.

## **TRANSFER OF CREDIT**

Summer school courses not taken in Virginia Beach City Public Schools must meet the requirements of courses taken in Virginia Beach. It is the responsibility of the student to obtain **prior** written permission from the principal of the student's homeschool to determine acceptability of subjects taken or credits earned in summer school programs outside of the Virginia Beach City Public Schools.

## **TUITION**

Tuition must be paid at the time of registration and includes the use of textbooks. All checks and money orders should be made payable to the **Virginia Beach City Public Schools**. Cash, check, credit card (VISA and/or MasterCard), and money order may be used to pay tuition. Please check the program descriptions in this guide on page 6 to determine whether fees are charged for particular programs. Outstanding non-sufficient fund checks for summer school tuition must be paid before the student may attend classes. The English as a Second Language Program (ESL), Extended School Year (ESY) services, SOL Fast Track Tutoring, and the Algebra Readiness Academy Program are provided at no cost.

## REDUCED TUITION FOR ELIGIBLE STUDENTS

Students who have a completed free/reduced meal form on file and have been determined eligible for free/reduced meals during the regular school year are also eligible to receive reduced summer school tuition in the middle school summer program (grades 6-8). Parents/guardians who would like the school to determine their child's eligibility for free and reduced tuition **must sign the release section of the registration form**. This will permit school officials to access the necessary information to award the tuition benefit. If a student qualifies for the benefit, the chart below lists the tuition rates. **Free and reduced tuition is not available for enrichment programs.**

*Note: Free/reduced meal applications must be filed at the student's homeschool by June 16, 2017.*

Tuition Level	Middle School (Per Course)
